GRAND OPENING OF NEW OFFICE FURNITURE SHOWROOM

One Point Opens Scranton Showroom

Scranton, PA. - March 27, 2008 - One Point celebrated the grand opening of their state of the art office furniture showroom in Scranton. One Point clients, staff, and Scranton Mayor Chris Doherty were on hand to celebrate the opening.

The One Point Showroom is located at 101 Pittston Avenue in Scranton. The newly opened space is filled with furniture vignettes: from offices, to conference areas, to a hospital room. Decorating the walls is artwork from local artists. One Point wanted to give local artists the opportunity to show and sell their work, and the designers also suggest it to their commercial clients. Last April, One Point opened their first furniture showroom in Reading, PA.

The showroom is staffed by One Point's interior designers and is open Monday through Friday 8:30 a.m. to 5 p.m. For more information, stop in or contact Amanda Welman at 570-342-0737. One Point, Inc. was formed when Forms Plus, a Scranton-based office supply and printing supply firm, merged with Deemers Office Products in September 2005. One Point then became the regional distributor of Office Furniture USA to enhance their commercial furniture line. One Point serves companies and institutions throughout the 20 county area of northeast and north central Pennsylvania. In 2006 One Point was named Small Business of the Year by the Greater Scranton Chamber of Commerce.
